

THE GIVING TREE

WHERE HOPE IS PLANTED & LIFE GROWS

Donations for the building start at \$500

Planted by His grace

Growing through your generosity.

Our new Pregnancy Resource Center is a living testimony to God's grace. From finding our new building to watching Him provide every need, each step has been a miracle.

Now we believe He is calling us to take the next step of faith: to pay off this building quickly so that every gift can go directly to helping moms, babies, and families.

Through The Giving Tree, you can be part of that miracle. When you give \$500 or more, your name (or a loved one's) will be added to our Giving Tree inside the center and become part of a lasting symbol of hope, life, and faithfulness.

Together we can keep this ministry rooted in grace and bearing fruit for generations to come.
