DIRECTOR STATEMENT

We are so blessed to have found the location for PRCE's Forever Home at the end of 2024. Our Hope Program is now able to increase its services to include the first 2 years of our client's child's life because we now have the space we need. This one-year extension of our program gives us more time to serve clients: more time to mentor them through the first critical stages of parenthood; more time to work with new fathers with our "Hope for Dads"; and more time to help our new parents by providing fun and educational childcare. While Mom and Dad work on enriching their parenting skills in our Hope Program, their toddlers get to grow with children's Bible Study, fun crafts, and help with homework for the older kids. This is just one reason what I will share next is so important.

"Planted by His Grace, Growing through Your Generosity." PRCE has a \$640,000 mortgage for 20 years. Our plan is to shorten the years of the loan, save on interest and pay down the mortgage. We want to pay off the center in 10 years or less! Our Giving Tree is one of the ways we plan to make that work. You can help us by purchasing a leaf and putting your name on it or making it "In Memory or In Honor of" someone special. You could even use a short Bible verse. The amount that you purchase will go directly toward paying down our mortgage. So far, in 2025 we were able to pay an *additional* \$30,000 toward our mortgage which saves us \$78,075 in interest and takes 20 months off our loan, and we're just getting started! Will you prayerfully consider one of the following Giving Levels?

- The Genesis \$500 -The Shepherd \$750 -The Cornerstone \$1,000 -The Pillar \$2,500
- The Covenant \$5,000 -The Tabernacle \$10,000 -The Foundation \$15,000 -The Visionary \$20,000
- The Jubilee {Donor chooses the amount - minimum \$25,000}

Progress on our Giving Tree (pay down our debt) will be posted on our website each month on the 15th. We are excited to get this project moving forward. Thank you for your consideration. We can't wait to see how God completes this mission!

May God Bless You & Keep You

BOARD PRESIDENT

Dennis Cowles

Dear Volunteers, Supporters, and Friends of Pregnancy Resource Center East, I want to express my heartfelt gratitude on behalf of the Board of Directors. This has been a year of prayer, hard work, perseverance, and tremendous blessing. What once was simply a vision placed on our hearts by God has now become a living and active ministry because of faithful people like you. Opening this center was not easy. There were hurdles we didn't expect, challenges that tested our patience, and seasons where we simply had to trust the Lord to make a way. To our donors and ministry partners: Your faithfulness has laid a strong foundation for the work God is doing here and the impact that will continue for years to come. To everyone who prayed, encouraged, and believed in this mission: thank you for standing in faith with us. As we look ahead to a new year, we do so with confidence that God will continue to guide, provide, and expand the work He has started here. We are grateful for your partnership and humbled by the privilege of serving alongside you. From the bottom of my heart, thank you.

LOOK AT OUR BEAUTIFUL PRCE BABIES!

CENTER DIRECTOR

Last August, my husband and I had our first child. Going through the experience myself has led to an even greater appreciation for what parents go through. It is an incredible blessing as well as the most terrifying thing I have ever done! I cannot imagine going through it alone. PRCE refuses to let mothers go without a village of support and encouragement. Monthly donors are needed for day-to-day expenses. A monthly donation of \$50 allows the center to provide one ultrasound for a client. Women are more likely to choose life when they hear their baby's heartbeat. That \$50 monthly donation can save 12 babies a year! Your generous giving creates a foundation for families to thrive in our community. Your continued prayers and support are more than enough. Thank you and God bless you!

Maegan Ramirez
Center Director

CLIENT STORY

"With [my first child] what helped me the most was faith and hope. [My baby] went through a lot with me, even homelessness and me thinking he wasn't going to make it. With my [second child] I actually had more positive and happy moments so I carried her to term gracefully. My favorite things about the Hope Program are the Advocates. When I first came to the center talking to the Advocate helped bring me out of a very dark place. Another favorite thing of mine is being able to attend Hope classes. I've met a lot of amazing Moms. I also love the learning experience and different speakers that come. Shopping is also a favorite of mine because without it I wouldn't have a lot of the things that I have for [each of] my children. The Bible Study has helped me not beat myself up for feeling like I let God down. [I know] that He will always love me and be there for me no matter how many mistakes I make. I don't have an active degree at this moment of my life, but one day I'd love to own my own restaurant."
